

2019 School Benefit is Nathaniel's Hope!

The students and staff at King of Kings will be involved in various activities promoting the Nathaniel's Hope Foundation during Holy Week (April 15-19).

If you would like to make a small donation to it, your contribution can be dropped off at our school office from now until Easter Sunday (April 21)

Background Information about Nathaniel's Hope

Nathaniels' Hope was founded in 2002 after four-year old Nathaniel Timothy Kuck relocated to Heaven. Through their personal experience with their son Nathaniel, co-founders Tim and Marie Kuck saw first-hand how demanding it can be to raise a child with special needs. It was through Nathaniel's life that they were introduced into the world of disability, and once he passed away, they realized it was a world they couldn't leave – a world God had brought them into. Now, over 14 years later, Nathaniel's Hope is still thriving, growing, and dedicated to providing Hope and practical assistance to kids with special needs (**VIP Kids**) and their families. **VIP Kids** are those with any physical, cognitive, medical or hidden disability, chronic or life-threatening illness, or those who are medically fragile.

Thank you for your partnership to this worthy cause.
